**Brown Karmania Tra-onyx**  
represents either wood or  
earth. It has an energetic,  
nurturing quality!

• KARMANIA TRAONYX

The background of the entire page is a detailed, close-up photograph of a natural stone with a complex, marbled pattern. The colors range from light beige and cream to dark charcoal and black, with intricate, vein-like structures. A semi-transparent white rectangular box is centered on the page, containing the text.

It is about a sense  
of strength and  
reliability!
